PASTOR'S PIECE

Ebenezer

Later this month we will be celebrating the 15th Anniversary of the church. It's hard to believe that so much has taken place in such a short time. The Lord has been so kind and gracious to us! Like Samuel of old I believe we can declare our Ebenezer; "thus far the Lord has blessed us!"

(1 Samuel 7:12)

Samuel used that moment to spur on the army of God's people to press forward and to win the battle ahead of them. They reminded themselves of the years they had known God's faithfulness and used that confidence to bring courage for the challenge that now faced them.

At Ark, we have faced many challenges over the years; some were about financial provision, some about people needed for specific tasks, others were spiritual and oppositional battles which we had to overcome. Today, we are able to testify that we have walked in the good of God's faithfulness and love, and with confidence can believe that every battle we have yet to face will be won in Jesus name!

Let's be encouraged and emboldened by the word of God: When God is for us, who can be against us? **(Romans 8:31)**

He that is in us is greater than he that is in the world. **(1 John 4:4)**

With your help I can advance against a troop, with my God I can scale a wall. **(Psalm 18:29)**

GET TO KNOW

STEPH JONES

My name is Stephanie and I live here in Sutton Coldfield with my husband Mark and son Jackson. I grew up in a Christian home but turned my back on Jesus as a teenager. One night I suddenly felt Jesus say to me that I was in the wrong relationship and it needed to end. Shortly after, it did and I began the journey back to Him. During that time my career changed from an administrator to a support worker for adults with learning disabilities which I absolutely love. Jesus has completely turned my life around and blessed me more than I could ever imagine and I know he's not done yet. I've been coming to Ark for over 10 years and I really feel at home here and love my Ark family.
